Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for construction of Our Place at Ben Washer Park in Louisville, Kentucky. The entity to receive funding for this project is Bridge Kids International, located at 501 W Kenwood Drive, Louisville, KY 40214. The funding would be used to rehabilitate a deteriorating building in an underutilized public park in Louisville's Limerick neighborhood and to establish Our Place at Ben Washer Park, a community center. The project is appropriate for taxpayer funds because this project will develop a currently vacant property into a community center that will support young people in Louisville's Limerick neighborhood.

The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
